The Patricia Hayes School of Inner Sense Development

Presents

The Metaphysician Program

at

Delphi

University & Spiritual Center

- **Metaphysician Practitioner**
- **Master Metaphysician**
- **Doctor of Metaphysics**

*A Journey into the Sacred and Mystical
Realms of Spirit*

You are about to embark on one of the most rewarding and self-enlightening journeys of your life. Your studies will significantly increase your intuitive and spiritual abilities and train you in many new skills and methods that will enable you to experience and present a totally integrative Program of Spiritual Development and Holistic Healing.

The Metaphysician Program at Delphi

Metaphysics is the belief in and the study of the eternal nature of our consciousness and the development and application of our spiritual, transcendental, intuitive, and healing abilities as being vital aspects in the unfoldment of our full potential as human beings. **The Patricia Hayes School of Inner Sense Development** offers **Practitioner, Masters** and **Doctorate Programs** in **Metaphysics**.

Level One – Metaphysician Practitioner Program

Prerequisite: In-Depth Channeling

A Metaphysician Practitioner is an individual who:

- Has chosen to be a Keeper of the Light and a Channel of Spiritual Knowledge; one who embraces and utilizes the universal forces of Love, Light, and Healing.
- Assists others who are seeking healing and searching for Spiritual Awakening and Awareness.
- Has acquired experience, knowledge, skills, and wisdom that enable him or her to serve, to guide, support and assist all who seek Healing, Spiritual Understanding, and Spiritual Unfoldment.

The Metaphysician Practitioner Program at Delphi will:

- Further your spiritual understanding, awaken your spiritual memory, and inspire your spiritual experience.
- Learn metaphysical skills and the application of metaphysical methods of treatment for the purpose of holistic healing and spiritual unfoldment.
- Begin and/or expand your Holistic Healing practice through knowledge and application of Spiritual Wisdom

The Metaphysician Practitioner Program curriculum consists of the following courses:

- **Advanced Channeling**
- **Color & Sound Healing**
- **Healing Mysteries**

Advanced Channeling / Ancient Mysteries: This intensive training includes the study of the history and practices of the **Ancient Mysteries**. Students begin an intimate study and purification of their mental and emotional bodies and their energy system. They learn the method for transmutation of karmic energies that prevent spiritual progress and permanent healing. Students learn and practice **Sola**, advanced soul travel, for the purpose of awakening spiritual memory, spiritual sight, and expanding the depth and breadth of their channeling abilities. The advanced channeling skills of **Soul-Life Readings** are also learned. The Advanced Channeling Curriculum includes:

- Mysteries of the Holy Rishis
- Sacred Symbolology
- Astral Light and Transfiguration
- Karma, The Wheel of Rebirth
- Cleansing of Emotional / Mental Energetic System
- Soul-Life Readings
- Sola - Advanced Soul Travel and Advanced Channeling
- Dharma - Daily Spiritual Practice

Length of Course: 5 Days

Color & Sound Healing: An intensive study of the Metaphysical Mysteries of Color and Sound and their Relationship to our physical body, subtle bodies, our energy systems, and the healing effects on our lives. Students learn the causes and symptoms of imbalance, disharmony, and disease, and practical skills and application of color and sound therapeutics to remove blocks, heal common ailments, and assist in the healing of disease and other imbalances. This class includes:

- History of Color and Sound Healing
- Astrological, Crystal, and Energy relationships
- Characteristics, Effects and Causes of Imbalance and their Relationship to Color, Sound and our Energy Systems
- Types of Color Therapies
- Color visualization and manifestation
- Balancing the Chakras with Color and Sound
- Common Ailments and their Healing Colors
- The Healing Properties of Sound
- Toning and Using the Voice as a Healing Instrument
- Healing with Tuning Forks
- The Role of Music for Healing
- Healing Mantras/Sacred Language
- Practical application of Color and Sound Healing
- The Color and Sound Healing Technique and Therapies

Length of Course: 5 Days

*Certification as a Color and Sound Healing Practitioner

The Healing Mysteries: A Metaphysical study of Healing, the Healing Mysteries, the Astral World and its inhabitants, and the effects on the physical world. This training teaches the student the application of Integrative, Complimentary, and Alternative Healing Therapies including:

- Advanced Breathing Techniques including Rhythmic, Clearing and Kundalini Breathing methods.
- Basics of Crystal Healing - Meditating with and using crystals to enhance and affect the healing process.
- Healing Sanctuary Training - How to set up, establish, and operate a Healing Sanctuary.
- Integrative Healing Therapies and Processes for healing specific problems and ailments.
- Lotus Healing - A process that releases energy blocks along the spinal column for the purpose of balancing and restoring physical energy and health in the physical body.
- The Mystical Teachings of the Christ - A study of the healings and methods of the Christ and their use in today's world.
- Past Life Regression Therapy - A process enabling individuals to access the unconscious memory for spiritual knowledge, healing of current problems and soul abilities.
- Psi-Scan/Medical Intuitive - An intuitive medical process of investigation for physical, emotional, mental and spiritual health.
- Subliminal and Distance Healing - Learning how to channel and project healing energy over great distances to those in need.
- Trance Healing Techniques - The channeling of Spirit Doctors for the purpose of healing.

Length of Course: 7 Days

*Certification as a Spiritual Healer

Certification as a Metaphysician Practitioner is Awarded upon Completion of the Above Courses

Level Two – Master Metaphysician Program

Prerequisites: In-Depth Channeling, Metaphysician Practitioner Certification

Your studies to become a **Master Metaphysician, Holistic Practitioner, and Doctor of Metaphysical Healing** will significantly increase your psychic abilities and train you in many new skills and methods, enabling you to both experience as well as to give and present a totally Integrative Holistic Healing Regeneration and Healing Program. Each method you learn will benefit you and your clients, and can be used and applied for many specific needs in your holistic practice. In the Master Metaphysician program you will discover and learn about your true spiritual origins and the truth of your spiritual nature, as well as advanced therapeutic skills for the healing of Male/Female energies as well as Inner Child Healing.

The Master Metaphysician Program curriculum consists of the following courses:

- **Mysteries of Soul Logos**
- **Mysteries of Male/Female Healing**
- **Yhandi's Inner Light Adult / Child Integration**

Mysteries of Soul Logos: A journey into the sacred realms for the Spiritual Awakening of your spiritual memory and abilities. This course introduces the student to his / her Spiritual Ancestry through the study of Spiritual Involution and Evolution. The study includes transcendental experience and instructs the student in the methods of sacred healing. The Mysteries of Soul Logos includes the courses of study:

- Our Spiritual Ancestry & The awakening of Past Spiritual Abilities and Memories
- Spiritual Involution and Evolution
- Sacred Healing, the Spiritual Regeneration Process
- The Angelic Realms, Angelic Influences, and Master Teachers
- Spiritual Laws and Principles
- Transcendental and Mystical Experience
- Reading the Akashic Records
- Darshan & Sacred Healing

Length of Course: 5 Days

*Certification in Sacred Healing

*Certification as an Akasha Sensitive/Inner Child Therapist

Mysteries of Male-Female Healing & Relationship Dynamics:

A journey into the Wisdom, Love, Healing, and Integration of the Masculine and Feminine Energies. Students study two powerful myths that deal with the complexities and healing of the male and female energies, and they learn about and experience the special needs, actions, behavioral patterns, and requirements of each.

Throughout the class, each student takes progressive steps to the healing and ultimate union of their own Masculine and Feminine Energies, and are empowered with a deeper understanding of themselves, their loved ones, significant other, and clients.

The course includes:

- Our Sexual Nature & The Battle of the Sexes
- Our Androgynous Being
- The Study and Healing of Male Energy & Archetypes
- The Study and Healing of Female Energy & Archetypes
- Male/Female Integration, Special Needs, Behavioral Patterns
- Relationship Dynamics
- The Etheric body's role in healing
- The Deva Kingdom, the Healing Potency of Nature
- The Spiritual World and Supramental Planes of Consciousness

Length of Course: 5 Days

*Certification in Male/Female Relationship Dynamics

Yhandi's Inner Light: In this course the student learns the Complementary and Alternative Healing Process that accesses, determines, and heals the negative and repressed emotions and self-destructive thoughts that the Inner Child and Adult have unconsciously stored within their mental and emotional energy fields. This healing and integration results in peace of mind, creative productivity, and a sense of joy and clarity. Areas of study include:

- Dysfunctional Family and Co-dependence
- Core Issues: Control-Attachment
- Stress Disorder Syndrome
- Yhandi's Inner Light - A four session process for healing the Inner Child
- Therapeutic counseling during treatment

Length of Course: 7 Days

*Certification as a Yhandi Facilitator specializing in Inner Child / Adult Integration.

Certification as a Master of Metaphysician is Awarded upon Completion of the Above Courses

Level Three– Doctor of Metaphysics Program

Prerequisites: In-Depth Channeling, Metaphysician Practitioner and Master Metaphysician certification

Your studies to become a **Doctor of Metaphysical Healing** will take you to higher and greater levels of understanding the human energy system and psyche, equip you with the latest cutting edge methods and healing skills, provide you with a totally Integrative holistic healing and regeneration program, and prepare you to open your own Holistic Healing Practice.

The Metaphysician Doctorate Program curriculum consists of the following courses:

- **Spiritual Anatomy & Light Energization™ I**
- **Spiritual Anatomy & Light Energization™ II**
 - Inner Sanctuary Training
 - Inner Sanctuary Instructor's Training
 - Delphi Holistic Healing System

Spiritual Anatomy & Kundalini Light Energization™ I: In this course, the student learns the spiritual anatomy of the physical body. Emphasis is on understanding the root cause of disease, the function served by disease in spiritual awakening, and the interaction between the Etheric (Vital) body, the Emotional (Astral) body, and the physical body in attracting or repelling disease. The study also includes

continued on page 4

the relationship of blood as a physiologic interface with the ego/soul, and the makeup of cells and their function relative to thought and emotion. In this course, you will also learn the Brazilian Light Energization™ Therapy, the sacred and magical process of Consciousness Expansion and Kundalini Stimulation pioneered by the late Mauricio Panisset, the Man of Light, and his widow Kimberly Curcio. The course includes:

- The study of vibration, the effect of fear, and inherited diseases.
- Learning to facilitate and perform a Blood Cleanse
- Reflective Healing I – Introduction to the Reflective Ethers, and learning to open, expand, and work in and through the Etheric Body to facilitate healing of the Physical Body.
- Brazilian Light Energization™ Healing Techniques for stimulating and drawing up the Kundalini energy to stimulate and energize the Pineal and Pituitary glands, and enhance Spiritual Perception, Psychic Vision, and Cosmic Connection.

Length of Course: 7 Days

*Certification as a Kundalini Light Energization™ Healer

Spiritual Anatomy & Kundalini Light Energization™ II

Etheric Healing Therapeutics: This advanced study takes the student further into the spiritual anatomy of the physical energy systems of the body, and the healing potencies of the Etheric (vital) body. Instruction on the structure and practical application of Reflective Etheric Healing Therapeutics for physical healing and regeneration is taught and practiced.

The Brazilian Kundalini Light Energization™ Initiation is a continuation of the Light Energization™ process where a greater emphasis is placed upon the development and expansion of the student's own abilities and a greater connection with the Cosmic Forces. Students will experience a journey of initiation while learning Advanced Healing Techniques using Breathing and Kundalini Energy, Sacred Mantras and Symbols, working with the Elements, and employing Advanced Sound Techniques. The Course includes:

- The Spiritual Anatomy of the Nervous Systems of the physical body
- Accessing the healing potencies of the Etheric/Vital Body.
- The role of the Ductless Glands in spiritual attainment.
- Instruction and hands-on practice of Reflective Etheric Healing Therapeutics
- Advance Kundalini Light Energization™ Techniques

Length of Course: 7 Days

*Certification in Advanced Kundalini Light Energization™

*Certification as a Reflective Etheric Healer

Inner Sanctuary Training

Prerequisite: none

The Inner Sanctuary training establishes the sacred space within where you can go to receive spiritual insight and answers to your questions, restore balance and vitality, manifest your creative ideas, and strengthen your sense of purpose. Your sacred work in the Inner Sanctuary continually brings greater light, love, wisdom and peace into your life and your world. Inner Sanctuary Training is Inspiring, Life Transforming, and Enlightening.

Length of Course: 3 days

Inner Sanctuary Instructor Course

Prerequisites: Inner Sanctuary Training, Master Metaphysician Certification

This course of study is Instructor Training for the Spiritual Initiate who wishes to share their spiritual abilities to help others to find and establish their sacred space within their Inner Sanctuary. The course includes:

- Instructors training: the art of teaching and helping others to build their inner sanctuary
- Lesson format for the Inner Sanctuary training (can be taught in five consecutive weeks or as a week-end workshop).
- Certification as an Inner Sanctuary Instructor authorized to teach Delphi University's spiritual outreach program, Inner Sanctuary Training.

Length of Course: 5 days

Holistic Healing System Medical Intuitive Connecting With Spirit Program

Prerequisites: Inner Sanctuary Instructor's Training, Spiritual Anatomy & Light Energization™ I and II

The final class of the Doctorate Program presents the Holistic Healing System and Connecting With Spirit programs. Lesson plans for intuitive and spiritual training, and the order and combination of specific methods for a structured accelerated system of holistic regeneration and healing are included in this intensive training. Certification as a Holistic Practitioner as well as a doctorate degree are awarded upon completion. This intensive course instructs the student in the dynamics of the Connecting With Spirit Program, and the Delphi System of Holistic Healing and Regeneration. Students learn how to establish an effective and successful practice as a Doctor of Metaphysical Healing and as a Holistic Healing Practitioner. This course includes teachers training for Connecting With Spirit: Intuitive and Spiritual Training and the Delphi Holistic Healing System. Students are also instructed in the dynamics of the program and how to establish an effective, successful practice as a Holistic Healer and a HealingWorks International Practitioner. The course includes:

- The Preliminary Consultation/Holistic Scan
 - Pinpointing disturbances and abilities throughout each of the energetic systems
 - Developing medical intuitive skills and specific counseling techniques for the preliminary consultation
 - Presenting the Holistic Healing System to the client
- The Inner Life: Instruction and teaching materials for facilitating spiritual regeneration
- Emotional/Mental Regeneration: Instruction and teaching materials for conducting a full-day workshop
- The Connecting With Spirit Program: Structure and format of processes in CWS Program
- Beginning and building an effective and successful practice as a Healing Works International Practitioner

Length of Course: 7 days

*Certification as an Holistic Practitioner

Upon completion of the Doctorate level courses you will earn:

- Certification as Doctor of Metaphysics Mh.D
- Certification as a Healing Works International Practitioner
- Ministerial Ordination in the Church of Wisdom
